VISION

To guarantee and encourage all people's right to safe drinking water and healthy food staff. ..

OUR VALUES

A proficient, enthusiastic, and energized team that works towards achieving our vision.

Understanding the necessity of our clients and consumers.

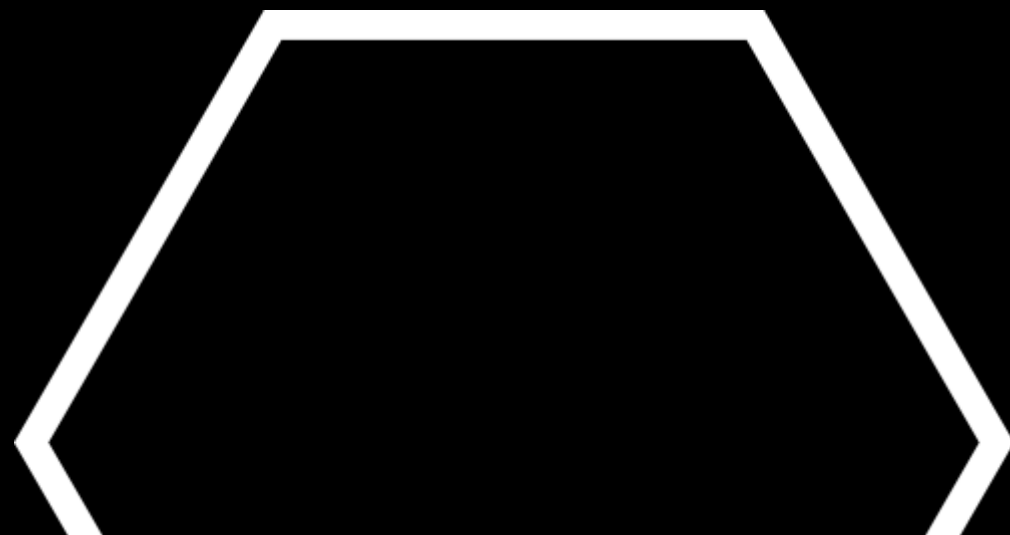

Developing food staff that taste great and are healthy

Aim to establish a long-term relationship with our valued consumers.

Continuously attempting to enhance viability and regulation at all levels of our organization

MOHANANDA DRINKING BOTTLED WATER

FTi Food & Beverages started its journey since January 2023 with an aim to providing 100% pure healthy drinking bottled water to our society for mass consumers at a very affordable price.

FTI MANGAAM JUICE

Bangladesh is the 7th largest mango producer in the world. The main mango growing regions of Bangladesh are Rajshahi, Chapainawabganj, and Dinajpur districts. FTi Food and Beverage has set up its factory in Chapaiwnabganj aiming to utilize the growing mangoes converting them into a healthier drink for mass consumers.

Fti CHANACHUR

Fti Chanachur is crispy, crunchy, hot and smart with which tea time can be enjoyed far better.

FTI POTALOO CHIPS

Fti Food and Beverages is a local brand creating real potato chips. We are glad to say we keep an eye on the production of the potatoes used in our chips, straightly working with small farmers in North Western part of Bangladesh.
